The Herald: The Sundering, Book VI Ed Greenwood

In the 6th and final book of the multi-author Sundering series launched by *New York Times* best-selling author R.A. Salvatore, Ed Greenwood, the creator of the Forgotten Realms®, further chronicles the exploits of Elminster as he fights for the future of Faerûn.

Chaos grips Faerûn as vainglory, prophecy, and ancient forces coningle in the shadows cast by war. Agents of the Shadovar lurk in the corners of Candlekeep in search of the arcane secrets that will power their war machine toward Myth Drannor. Gods and their Chosen run amok, all in a gambit to seize power. And a threat foretold by an ancient seer stirs.

At the heart of it all, Mystra, the great Goddess of Magic, has withdrawn from the world. Without her protection, Elminster, her greatest champion, fears for the nascent Weave, the fabric of magic Mystra wields to bind Faerûn. Will the Nightseer Shar, mistress of the great and fearsome Shadovar, seize the opportunity to blanket the world with her Shadow Weave?

With the help of Storm Silverhand and his protégé Amarune, Elminster works frantically to strengthen the Weave's tethers and forestall what seems an inevitable reckoning. But other interests machinate for their own sinister ends.

As the Sundering draws nigh, Elminster and his heroic cohort must see the signs for what they are. The choice of worlds lies in the balance.
