Ally Klein had never believed in miracles.

Until this year.

When Prince Jamie Leonetti walked into her antique shop and stole her heart.

Born into the luxury of the Monrovia Royal Family, Jamie Leonetti wasn't looking for love. He was looking for the perfect gift for his mother when the spunky red-headed girl behind the counter caught his eye.

Ally's free spirit turns Jamie's world of royal duty upside down and suddenly, Christmas becomes much more joyful. As the heat between Jamie and Ally flares in the winter wonderland of the Monrovia countryside, Jamie begins to surrender his carefully guarded heart to the fiery American girl that he never wants to let go.

Finding your happily ever after isn't easy when you're born royal. But this one magic Christmas has Jamie ready to break all of the rules and fight for a chance at true love.

Some wishes just have to come true.

** Filled with holiday enchantment and spicy, yet sweet romance, A Royal Love is the perfect winter fairy tale to warm up a chilly night. Although this book is the second book of the Royal Series, it can be read as a stand-alone novella.
