## **Come On, Sing It!: The Story of Pete Seeger** Meryl Danziger

How did a humble, banjo-playing Harvard University dropout become one of the most influential figures of the twentieth century? This is the story of Pete Seeger—singer, songwriter, social activist, environmentalist—who filled his toolbox with songs and set out to repair whatever in the world was broken. His story, told here in his own voice, intertwines with a century of American history: from the blacklisting of Seeger's band the Weavers in the '50s, to the rediscovery of folk music and protest in the '60s, to his ninetieth birthday party in Carnegie Hall in 2009. Readers will be surprised to discover how many familiar songs, people, and projects somehow connect back to this one individual. Through learning of his life of activism, readers will become links in the chain, inspired to reflect on their own power to make change.

*From the Hardcover edition.*
