## Love Monkey: A Novel Kyle Smith

Many men aim high; Tom Farrell dares to be average. While his friends accumulate wedding rings, mortgages, and even, alarmingly, babies, Tom still lives alone in his rented apartment with nothing but condiments and alcohol in his refrigerator. He spends Saturday mornings watching cartoons and eating Cocoa Puffs out of an *Empire Strikes Back* bowl, and devotes the rest of the weekend to his other favorite hobbies: sports and girls. His credo, to think and act like a thirteen-year-old boy at all times, has worked well enough to land him a decent job writing headlines for the New York Tabloid. But neither his personal life nor his professional life has any forward momentum; he's occupied the same cubicle since the first George Bush was president and is currently "between girlfriends." At thirty-two, it starts to occur to him: There's a fine line between picky and loser.

Enter a sly, beautiful coworker named Julia. After a few torrid dates, Tom is hooked. "She's like cleaning behind my refrigerator. A once-in-a-lifetime thing." But the closer he gets to Julia, the more elusive she becomes. Frustrated, Tom seeks the dubious advice of his buddy Shooter, a shallow sexual gladiator, and wonders why he keeps getting into arguments with Bran, his smart, sarcastic "default date." But then tragedy strikes, and everyone's attitudes toward life and love change -- and even Tom begins to see himself in a new light.

By turns riotous and tenderhearted, Kyle Smith's *Love Monkey* is the most candid and excruciatingly funny exploration of the male mind and libido since *High Fidelity*.

### From reader reviews:

#### Jesus Gilbert:

Here thing why this specific Love Monkey: A Novel are different and trusted to be yours. First of all reading a book is good however it depends in the content from it which is the content is as delightful as food or not. Love Monkey: A Novel giving you information deeper including different ways, you can find any publication out there but there is no book that similar with Love Monkey: A Novel. It gives you thrill looking at journey, its open up your eyes about the thing this happened in the world which is probably can be happened around you. It is possible to bring everywhere like in area, café, or even in your way home by train. For anyone who is having difficulties in bringing the imprinted book maybe the form of Love Monkey: A Novel in e-book can be your substitute.

#### Danny Saleem:

Nowadays reading books are more than want or need but also become a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want send more knowledge just go with education books but if you want experience happy read one having theme for entertaining like comic or novel. The actual Love Monkey: A Novel is kind of reserve which is giving the reader capricious experience.

#### Henry Slaughter:

Your reading 6th sense will not betray you, why because this Love Monkey: A Novel guide written by well-known writer we are excited for well how to make book that may be understand by anyone who also read the book. Written within good manner for you, still dripping wet every ideas and composing skill only for eliminate your own personal hunger then you still doubt Love Monkey: A Novel as good book not just by the cover but also from the content. This is one reserve that can break don't evaluate book by its include, so do you still needing one more sixth sense to pick this particular!?! Oh come on your looking at sixth sense already alerted you so why you have to listening to an additional sixth sense.

#### Kay Davidson:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Love Monkey: A Novel can make you sense more interested to read.
