Francisco Gracia Alonso

Pere Bosch Gimpera: Universidad, política, exilio (Memorias y Biografías) (Spanish Edition) Francisco Gracia Alonso

Rector de la Universidad de Barcelona durante la República y la Guerra Civil, consejero de cultura de la Generalitat de Cataluña en el último gobierno de Companys y referente del exilio catalanista hasta su muerte en 1974, la figura de Pere Bosch Gimpera es indispensable para la comprensión de aspectos tan diversos en la historia de la política y la cultura de la España del siglo XX como la lucha por la reforma de la enseñanza y la autonomía en la gestión universitaria; las convulsiones sociales y la protección del patrimonio artístico en Cataluña durante la guerra; los enfrentamientos entre los gobiernos de la Generalitat y Negrín; y la organización política de los exiliados catalanes en Europa y América así como sus relaciones con el exilio republicano. De formación cristiana, pensamiento liberal y profundas convicciones catalanistas, pero contrario a las derivas independentistas, defenderá la existencia de un Estado federal socialmente avanzado en España. Esta biografía analiza su trayectoria profesional, como introductor de la investigación prehistórica en España, y pública, como gestor y político partiendo de su correspondencia personal y escritos inéditos.
