Book editor Hannah Levinson couldn't be happier. This "Nice Jewish Girl" is ready to marry the man she's longed after for half her life. When her fiancé suggests they audition for *Last Fling*, a steamy new reality show for engaged couples, she lets herself be swayed. Maybe she'll learn a thing or two.

Vlad Shustov's fall from a once-bright career as a competitive figure skater was swift. Now trapped by a shameful past and an uncertain future, "Vlad the Bad" strips for cash. Joining the cast of *Last Fling* could earn him a fortune—or at least enough to finally leave stripping. But to win the show's prize, he must seduce an engaged woman, something he can't even bear the thought of.

Hannah's not like any woman Vlad's met before. Betrayed by the man she thought she loved and relegated to the ugly-duckling role she'd worked so hard to shed, can she trust there's more to Vlad than meets the eye? With sleazy TV tactics shattering the last shreds of the contestants' confidence, they'll have to believe true happiness is not only possible...it may be looking right at them.

From reader reviews:

Bert Gomes:

What do you in relation to book? It is not important along? Or just adding material when you want something to explain what your own problem? How about your extra time? Or are you busy man? If you don't have spare time to complete others business, it is make you feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They need to answer that question simply because just their can do that will. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this kind of Turning It On (Red Hot Russians) to read.

Donald Jones:

Nowadays reading books become more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book which improve your knowledge and information. The data you get based on what kind of book you read, if you want have more knowledge just go with education and learning books but if you want sense happy read one along with theme for entertaining like comic or novel. The Turning It On (Red Hot Russians) is kind of reserve which is giving the reader capricious experience.

Ana Jimenez:

As we know that book is vital thing to add our understanding for everything. By a reserve we can know everything we really wish for. A book is a range of written, printed, illustrated or blank sheet. Every year was exactly added. This e-book Turning It On (Red Hot Russians) was filled concerning science. Spend your time to add your knowledge about your research competence. Some people has several feel when they reading the book. If you know how big benefit from a book, you can sense enjoy to read a publication. In the modern era like today, many ways to get book that you wanted.

Jean Gaitan:

What is your hobby? Have you heard which question when you got scholars? We believe that that question was given by teacher on their students. Many kinds of hobby, All people has different hobby. And also you know that little person such as reading or as studying become their hobby. You should know that reading is very important and book as to be the thing. Book is important thing to provide you knowledge, except your own teacher or lecturer. You discover good news or update in relation to something by book. Different categories of books that can you decide to try be your object. One of them is actually Turning It On (Red Hot Russians).
