Competition's a Witch Kelly McClymer

Prudence Stewart is finally starting to get her witch on. It's been a month since her parents decided to give their magic-deficient daughter a crash course in enchantment by enrolling her in Agatha's Day School for Witches. And sure, Pru's still stuck in *Magic for Dummies* -- but at least she made the cheerleading squad.

Now Prudence has a bigger problem...she walks, talks, and cheers like a mortal. And she's deathly afraid the other witches will catch on. So she vows to give up her old earthly ways: no cell phone, no car, and above all, no dating mortal boys.

There's just one hitch to the sitch: Angelo, the megacutie mortal-next-door. When he and Prudence meet, sparks fly -- no magic necessary. And breaking Angelo's spell turns out to be the hardest trick of all.
