How to Pee: Potty Training for Girls Todd Spector

Out with the old and in with the new! Family physician Dr. Todd Spector presents a fresh and outrageously fun way to encourage little girls to give up their diapers. They can try it fresh-air style (in the backyard!), or use the potty with the help of a few props and plenty of imagination. Peeing in the potty is a lot more fun if you do it princess style, dance-party style, or gymnast style!

Inspired by Dr. Spector's own experiences potty training his children, this combination of laugh-out-loud scenarios and useful advice turns the dreaded potty-training process into an exciting adventure for all.
