Johan Fornäs, Ulf Lindberg, Ove Sernhede

**In Garageland: Rock, Youth and Modernity (Communication and Society)** Johan Fornäs, Ulf Lindberg, Ove Sernhede

Seeking to understand youth culture through its visual and musical expression, *In Garageland* presents a pioneering ethnographic study of rock bands and their fans.

Topics include class as well as sexual conflicts; mainstream and deviant subcultures, and the complex social, psychological and ethical relationships which exist within youth culture.

*In Garageland* develops the notion of youth culture research as a way of mirroring our grown-up identities and of staking out the limits of late modern culture in general.
