Jo's Boys (Illustrated) (Little Women Series Book 3) Louisa May Alcott

Better known for her novels *Little Women* and *Little Men*, Louisa May Alcott continued the story of her feisty protagonist Jo in this final novel chronicling the adventures and misadventures of the March family. Entertaining, surprising, and overall a joy to read, *Jo's Boys* is nevertheless shaded by a bittersweet tone, for with it Alcott brought her wonderful series to an end.

Beginning ten years after *Little Men*, *Jo's Boys* revisits Plumfield, the New England school still presided over by Jo and her husband, Professor Bhaer. Popular for more than a century, the series that began with *Little Women* continues to hold universal appeal with its powerful and affectionate depiction of family — the safe haven where the prodigal can always return, adversity is never met alone, and our dreams of being cherished, no matter what our flaws, come true. With this new edition of *Jo's Boys*, readers once again have access to a treasured classic by one of America's best-loved writers.
