Jorge Manrique

Poesía (Spanish Edition) Jorge Manrique

**Los mejores libros jamás escritos.**

**La breve aunque imprescindible obra poética de uno de los nombres propios del Prerrenacimiento en lengua castellana, en la que destacan las *Coplas a la muerte de su padre*, donde Manrique vierte todo su talento y dolor.**

**«Este mundo es el camino  
para el otro, que es morada  
sin pesar.»**

Las *Coplas* de Jorge Manrique a la muerte de su padre son consideradas una de las cumbres de la poesía española. Tanto en ellas como en el conjunto de su obra es difícil saber qué admirar más: si la extraordinaria modernidad del idioma, la madurez de la versificación o la intensidad de los sentimientos e ideas sobre los que trata. Con una contención no exenta de emoción y una armonía y sencillez fruto de un gran trabajo de depuración, Manrique nos habla del dolor ante la muerte del ser querido y reflexiona sobre el sentido y la brevedad de la vida.

El académico Giovanni Caravaggi, estudioso de Jorge Manrique y buen conocedor de la tradición lírica que lo precede, ha preparado la presente selección de sus poesías, dotándola de una cuidada anotación, un estudio introductorio con el contexto histórico y biográfico y unas actividades finales a modo de propuestas para trabajar el texto.
