*M. C. Bradbrook*

**Shakespeare: The Poet in his World** M. C. Bradbrook

First published in 1978.

In this study, Shakespeare's own life story and the development of English theatrical history are placed in the wider context of Elizabethan and Jacobean times, but the works themselves are the final objective of this 'applied biography'. The main contention of the book is that Shakespeare's life was the lure of the stage itself which inspired him to transform what everyday life provided into the worlds of Hamlet, King Lear and Prospero.
