Snow is falling in Copper Ridge, Oregon—but the heat between a holiday-loving party planner and the town's resident Scrooge is off the charts in this sweet and sizzling Christmas novella...

Holly Fulton is throwing a special Christmas Eve party for the foster parents who gave her so much. To finish the preparations in time, she needs to recruit her one-time foster brother, Ryan Masters. He may have a scowl that could curdle eggnog, but under that surly demeanor is a big heart. And amazing muscles. And a gorgeous chest. In fact, X-rated visions of Ryan have been dancing in Holly's head for years, but she can't risk complicating the only real family she's ever known.

But maybe there's a way for Holly to have her Christmas cake and eat it too. A no-strings affair, just until they're done with the planning. Ryan is certainly willing. But from the first touch, it's clear that this isn't just a festive fling. It might just be a Christmas miracle in the making...
