Handling the Word of the Truth: Revised Edition John Pless

Handling the Word of Truth—Revised Edition takes Walther's twenty-five theses on the proper distinction between Law and Gospel and offers a fresh exposition for modern Christians. The revised edition is updated to work in tandem with the new edition of Walther's classic work *Law & Gospel: How to Read and Apply the Bible*. Pless provides a solid introduction both to the theological framework of *Law & Gospel* and to the variety of life settings and issues that require God's people to think about and act on their faith. The book serves as an entry point to access Walther's text and helps believers to read, understand, and apply God's Word to life's many circumstances through reflection and discussion.
