Matar a Lincoln (Historia) (Spanish Edition) Bill O'Reilly, Martin Dugard

El espantoso asesinato que cambió Estados Unidos para siempre

nº1 en Estados Unidos

El presentador del programa The O'Reilly Factor nos cuenta una de las historias más dramáticas de la historia estadounidense: la del disparo de bala que cambió el país para siempre. En la primavera de 1865, tras una serie de batallas cada vez más cruentas y atroces, al fin acaba la sangrienta Guerra de Secesión. Con sus generosas condiciones a Robert E. Lee en la capitulación de este para reintegrar a los confederados en la sociedad de los Estados Unidos, el presidente Abraham Lincoln quiere ver cumplido su sueño de volver a unir a la nación. Pero un criminal y su banda de cómplices, y entre ellos quizá algunos políticos de los peldaños más altos del gobierno de los Estados Unidos, no se conforman.

En medio de los festejos patrióticos de la ciudad de Washington, el carismático actor John Wilkes Booth, mujeriego y racista impenitente, asesina a Abraham Lincoln en el teatro Ford. La furiosa cacería policial que se organiza convierte inmediatamente a Booth en el fugitivo más buscado de la nación. El detective neoyorquino Lafayette C. Baker, inteligente pero no muy de fiar y antiguo espía unionista, desentraña todas las pistas que conducen a Booth, mientras las fuerzas federales persiguen a sus cómplices. La emocionante batida de búsqueda acaba en un fiero tiroteo y varias sentencias de muerte: entre ellas, la de la primera mujer ejecutada en Estados Unidos, Mary Surratt. Con sus vívidos retratos de algunas de las figuras más notables de la historia y una trama que obliga a seguir leyendo hasta el final, Matar a Lincoln es historia, pero parece una novela de intriga.

Matar a Lincoln ha sido el fenómeno editorial del año en Estados Unidos.

«Matar a Lincoln es una novela de intriga histórica de lectura obligada. Bill O'Reilly narra los dramáticos acontecimientos de la primavera de 1865 tan vívidamente y con tal inmediatez que el lector se ve paseando por las calles de la ciudad de Washington la noche que John Wilkes Booth mató a Abraham Lincoln de un disparo. Un libro muy ameno cuya lectura deja sin aliento».

Vince Flynn, autor de American Assassin

«Como estudiante de historia, ojalá las lecturas de la facultad hubieran estado tan bien escritas como esta vívida y emocionante crónica del asesinato de Lincoln. Como antiguo oficial de infantería, al leer estas escenas de batalla de la Guerra de Secesión me vi corriendo a buscar refugio. Matar a Lincoln es la historia de una tragedia que cambió el futuro de los Estados Unidos. No conocerá bien esta historia hasta que lea este libro. A la ya impresionante trayectoria de Bill O'Reilly, ahora hay que añadir que es historiador».

Nelson Demille, autor de El juego del león y La Costa de Oro
