The Health Care Case: The Supreme Court's Decision and Its Implications

The Supreme Court's decision in the Health Care Case, *NFIB v. Sebelius*, gripped the nation's attention during the spring of 2012. Like the legislative battle leading to adoption of "Obamacare", the litigation took many unexpected twists and turns, culminating in a surprising, fractured and confusing decision from the Supreme Court. This volume gathers together reactions to the decision from an ideologically diverse selection of the nation's leading scholars of constitutional, administrative, and health law.
