Rose has finally got her life in order with a great job managing her brother's restaurants, a promising future with her boyfriend, a niece on the way, and regular talks with her dead mother's spirit. Things start to go wrong when the centuries-old book of magic, a guide to necromancy for her and her family, becomes ill. Rose wonders if her frequent visits with her mother's spirit is harming the book, or if something more sinister might be going on. She enlists her cousin Josh's help since he's the only other necromancer around, but he has his own problems trying to fit in as the newest cook in her brother's restaurant. As the book's condition grows worse, Rose, Josh, and the rest of her family hurry to find a cure before they discover whether it's possible for a magic book to die.
