Uncovering the Mysteries of God

Uncovering the Mysteries of God Jeff Kinley Explore Ancient Mysteries in a Fresh Way

Can you fathom the mysteries of God? Can you probe the limits of the Almighty? They are higher than the heavens--what can you do? They are deeper than the depths of the grave--what can you know? Their measure is longer than the earth and wider than the sea (Job 11:7-9).

How could Christ be fully man and fully God? If God is all-loving and all-powerful, why does he allow pain and suffering? Although we have all heard these questions before--and perhaps asked them ourselves--Jeff Kinley presents these age-old questions in a new light, one that speaks to today's generation and our perspective on the world. Structured like a mystery novel, each chapter in *Uncovering the Mysteries of God* centers on an issue or "case," as in "The Case of the Disappearing Bride--The Mystery of the Rapture," where Kinley examines what the Bible says about the return of Christ, treating it like a missing persons' file. For this generation that is willing to linger in the unknown, Kinley does not really answer any of the questions he poses, but simply comes to them with fresh perspective, some hard facts, and a captivating style that will inspire you to try and solve these mysteries for yourself.
