Curses Once Spoken (The Huntress Book 2) Carly Drake

In *Words Once Spoken*, we met Evelyn, the normal girl with an extraordinary secret. Now we meet the men who love her...

Prince Liam and Lord Devon may be mortal enemies, but they're suffering from the same affliction: they're both in love with the same woman, Evelyn, the human-raised woman awaiting her coronation as Queen of the Fey.

Liam and Evelyn may have fallen in love, but his blood curse keeps him from taking his place by her side in Faery. Lord Devon has time, family, and lineage on his side. But Evelyn is no ordinary Fae, and she's not going to wait around for fate to decide.

On a quest for a cure, both Liam and Devon will vie for Evelyn's love, and a chance to rule Faery by her side.
