Worth Its Weight In Blood

Gone: a shipment of gold and a handful of passengers from the Trans Continental Railroad. Found: one man who has the skill, motivation and courage to track down the mad dog outlaws who hit the train. Now, the U.S. Army and detective Morris Flannigan have invited the devil to join their detail--bringing lawless Kane McCreed into the hunt for a band of savage criminals. What no one can guess is just how good a job Kane McCreed intends to do. Because he knows the outlaws who robbed the train and where they're hiding. With a score to settle and a woman in the mix, McCreed plans on laying down his own kind of law--or dying for the one brand of justice he can understand...
