Son, You Turn A Good Phrase Stockton Todd Holden

Think back...to when you were a kid and you first learned how to read. Days of warm sunlight on your face and the braided rug in the living room with a book in your lap. But, before you even learned to read, you had a friend, a grandfather, someone you looked up to who told you a story. Son, You Turn A Good Phrase is a collection of the stories I have read, the stories that I've lived, and most important of all, the stories that have been told to me. I'm both delighted and compelled to tell them to you. It is my hope that you will enjoy reading this book as much as I have had living it.
