STONY MAN

Very few are aware they exist, but those who do know that each mission Stony Man Farm's commando teams complete means another night of peace in America. They are the best cybertechs and soldiers in the world and their covert goal is to stop terror attacks before they happen—even if it means sacrificing themselves in the process.

COUNTER FORCE

When Iraqi insurgents detain a regiment of Marines during their attempt to withdraw from Iraq, the international incident incites retribution killings in Montana by a militia of former veterans. For Stony Man Farm's Phoenix Force, it's a race against the clock to rescue the American soldiers in Iraq as Able Team struggles to quell the combathardened militia in the U.S.—with as little loss of life as possible—before the terrorists kill every single hostage.
