Ensayos sobre economía mexicana (Economía) (Spanish Edition)

David Ibarra

Ensayos sobre economía mexicana (Economía) (Spanish Edition) David Ibarra

Ensayos sobre temas económicos nacionales, escritos con un estilo polémico y accesible a un público amplio. El estancamiento de la economía como obstáculo para la consolidación de la democracia electoral; la caída del presidencialismo sin un diseño institucional que remplace sus funciones; la debacle bancaria que no halló más que sustitutos imperfectos al sistema anterior de financiamiento a la producción, son algunas de las preocupaciones que recorren estas páginas, en las que el autor realiza una crítica minuciosa de las reformas estructurales de los últimos 20 años.
