Lost Ski Areas of the White Mountains Jeremy K. Davis

The White Mountains of New Hampshire are world renowned for the array of skiing opportunities offered to every skier, from beginner to gold medal Olympian. Today over a dozen resorts entice tourists and locals each year with their well-manicured trails, high-speed lifts and slope-side lodging. But scattered throughout this region, the ghosts of former ski areas can still be found. In the White Mountains alone, sixty ski areas have closed since the 1930s. Author Jeremy Davis has compiled rare photographs, maps and personal memories to ensure that these beloved ski outposts, cherished by generations of skiers, are given recognition for transforming the White Mountains into a premier ski destination.
