Nixon's Civil Rights

Dean J KOTLOWSKI

Nixon's Civil Rights Dean J KOTLOWSKI

In a groundbreaking new book, Kotlowski offers a surprising study of an administration that redirected the course of civil rights in America. Kotlowski examines such issues as school desegregation, fair housing, voting rights, affirmative action, and minority businesses as well as Native American and women's rights. He details Nixon's role, revealing a president who favored deeds over rhetoric and who constantly weighed political expediency and principles in crafting civil rights policy.
