Unthink: Rediscover Your Creative Genius Erik Wahl

In the tradition of *A Whole New Mind* and *The War of Art*, graffiti artist and corporate thought leader, Erik Wahl explores the power of creativity to achieve superior performance.

Somehow we've come to believe that creativity is reserved for the chosen few: the poets, the painters, the writers. The truth is creativity is in all of us and re-discovering it is the key to unlocking your fullest potential. **Unthink** is a book that pushes us beyond our traditional thought patterns.

Unthink is a book that will inspire everyone to realize that we are capable of so much more than we have pre-conditioned for. Creativity is not in one special place--and it is not in one special person. Creativity is everywhere and in everyone who has the courage to unleash their creative genius.
