Cindy Ella

Robin Palmer

Cindy Ella Robin Palmer

The ideal L.A. fairy tale for fans of *Once Upon a Time* and L.A. Candy, from the author of *Geek Charming*.

Prom fever has infected LA—especially Cindy’s two annoying stepsisters, and her overly Botoxed stepmother. Cindy seems to be the only one immune to it all. But her anti-prom letter in the school newspaper does more to turn Cindy into Queen of the Freaks than close the gap between the popular kids and the rest of the students. Everyone thinks she’s committed social suicide, except for her two best friends, the yoga goddess India and John Hughes—worshipping Malcolm, and shockingly, the most popular senior at Castle Heights High and Cindy’s crush, Adam Silver. Suddenly Cindy starts to think that maybe her social life could have a happily ever after. But there’s still the rest of the school to deal with. With a little bit of help from an unexpected source and a fabulous pair of heels, Cindy realizes that she still has a chance at a happily ever after.
