El amuleto (Spanish Edition)

Barbara Wood

El amuleto (Spanish Edition) Barbara Wood

Barbara Wood explora en esta obra las traiciones y las obsesiones del corazón del hombre y describe la búsqueda de la esencia humana.

Hace millones de años, un meteorito se estrelló en la Tierra y de él se desprendió una bella y misteriosa piedra azul. Muchos siglos después, una niña Homo sapiens encontró el cristal en la llanura africana. Su destino cambiaría para siempre, así como el destino de las generaciones venideras. Del antiguo Israel a la Roma imperial, de la Inglaterra medieval a la Alemania del siglo XV, del Caribe del siglo XVIII al Lejano Oeste americano, el devenir de esta piedra mágica y de sus diferentes dueños recorre la historia de la humanidad. A través de los distintos episodios, la autora explora las traiciones y las obsesiones del corazón del hombre y describe la búsqueda de la esencia humana.
