## **Into the Abyss** Stefanie Gaither

Violet has lost her memory, and her sense of self—but can she decide who she wants to be in time to save the world? Find out in this sequel to *Falls the Shadow*, which *Kirkus Reviews* called perfect “for fans of *Divergent* and *The Hunger Games*.”

Violet Benson used to know who she was: a dead girl’s clone, with a dead girl’s memories. But after Huxley’s attempt to take over the government left her memories and personality wiped, all she has left is a mission: help the CCA fight back against the rest of Huxley’s deadly clones that are still at large.

But when a group of clones infiltrate CCA headquarters, Violet is blamed. Already unsure of where her loyalties should lie, Violet finds herself running away with an unlikely ally: Seth, Jaxon’s unpredictable foster brother. With Seth at her side, Violet begins to learn about a whole new side of her city’s history—and her own.

But when she learns the shocking truth about cloning, Violet will have to make a choice—and it may be one that takes her away from everyone she ever loved.
