### Judy and the Moons of Korea

Audrey McKim

#### Judy and the Moons of Korea Audrey McKim By telling a fun story about a little girl named Judy, this multicultural children's book is a great introduction to Korean culture and festivals.

When Judy and her parents spent a year in Korea, she had a wonderful time. Every new moon her friends Sookie and Kim introduced Judy to another of Korea's many traditional festivals and customs. There were so many that Judy quite rightly said: "There are more fun days for children in Korea than in any other country."

You can read about the day specially reserved for making kimchi pickles, the snowman who can talk Korean and English, and the summer moon when the children have fun at a yudu picnic party by the river.

The delightful illustrations show you the many adventures Judy has with her new friends.
