Kiss & Hell Dakota Cassidy

Hell's not the only thing that's hot in the sinful new novel from the author of *Accidentally Dead*.

Delaney Markham doesn't just see dead people, she hears them too. And FYI-communicating with tortured souls all day can really wreak havoc on your love life. Sans boyfriend, Delaney makes the best of her gift by holding séances to make ends meet-that is until one incredibly annoying ghost just won't go away.

Besides being sinfully hot-in a college professor sort of way-all signs point to Clyde Atwell being much more than the ordinary spirit. In fact, he's a newbie demon whose first assignment is to take Delaney back down to hell with him. Yeah, like that's going to happen on the first date.
