Shame: A Novel Salman Rushdie

The novel that set the stage for his modern classic, *The Satanic Verses*, *Shame* is Salman Rushdie's phantasmagoric epic of an unnamed country that is "not quite Pakistan." In this dazzling tale of an ongoing duel between the families of two men—one a celebrated waver of war, the other a debauched lover of pleasure—Rushdie brilliantly portrays a world caught between honor and humiliation—"shamelessness, shame: the roots of violence." *Shame* is an astonishing story that grows more timely by the day.

From the Trade Paperback edition.

From reader reviews:

Richard Swisher:

This Shame: A Novel book is just not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book will be information inside this e-book incredible fresh, you will get data which is getting deeper a person read a lot of information you will get. This specific Shame: A Novel without we realize teach the one who studying it become critical in considering and analyzing. Don't be worry Shame: A Novel can bring once you are and not make your tote space or bookshelves' become full because you can have it within your lovely laptop even cell phone. This Shame: A Novel having fine arrangement in word and also layout, so you will not sense uninterested in reading.

Marguerite Boutte:

As people who live in the actual modest era should be revise about what going on or information even knowledge to make all of them keep up with the era that is always change and progress. Some of you maybe may update themselves by looking at books. It is a good choice for yourself but the problems coming to anyone is you don't know what kind you should start with. This Shame: A Novel is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Carolyn Charles:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them family members or their friend. Did you know? Many a lot of people spent that they free time just watching TV, as well as playing video games all day long. If you need to try to find a new activity here is look different you can read a book. It is really fun for you. If you enjoy the book that you read you can spent all day every day to reading a guide. The book Shame: A Novel it is very good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. If you did not have enough space to create this book you can buy often the e-book. You can m0ore easily to read this book out of your smart phone. The price is not very costly but this book has high quality.

Marian Dyer:

Is it anyone who having spare time then spend it whole day through watching television programs or just lying on the bed? Do you need something totally new? This Shame: A Novel can be the response, oh how comes? A book you know. You are thus out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these books have than the others?
