Festeja con este libro los 80 años del gran caricaturista de México ¡Te queremos tanto RIUS!

Este libro representa una celebración del vastísimo trabajo de Rius, que con sus millares de caricaturas e historietas y un buen ciento libros abrió el horizonte de la crítica y la denuncia a los lectores en México, encausando un descontento social que no tenía forma de expresarse.

Un valioso esfuerzo editorial que es un regalo para sus lectores, quienes han seguido su trayectoria a lo largo de sesenta años, y que en 2014, en su aniversario número ochenta, desean celebrarlo. Tres generaciones distintas de fieles lectores, entre escritores, moneros, músicos, políticos y gente de a pie, que ha disfrutado, aprendido y reído con lo que el autor michoacano ha escrito y dibujado en tiras cómicas o en sus primeros monos sin texto a lo largo de su extensa carrera, siempre con las altas dosis de humor que permean corrosivamente cada una de las páginas de su extensa obra.

But some of you think in which open or reading some sort of book make you bored. It isn't make you fun. Why they can be thought like that? Have you searching for best book or acceptable book with you?

Earl Diehl:

Playing with family inside a park, coming to see the sea world or hanging out with close friends is thing that usually you may have done when you have spare time, and then why you don't try matter that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love 80 Aniversarius (Obra completa): Queremos tanto a Eduardo del Río (Spanish Edition), you could enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout guys. What? Still don't have it, oh come on its referred to as reading friends.

Betty Dunham:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this 80 Aniversarius (Obra completa): Queremos tanto a Eduardo del Río (Spanish Edition) can make you experience more interested to read.
