A Lifetime Burning (Banner Books Series) Ellen Douglas

So spontaneous is the writing in *A Lifetime Burning*, one might believe these are indeed words of a woman desperately trying to understand what has happened to her life, beginning with the fact that her husband has stopped sleeping with her.

Why? Is there a rival--perhaps "The Toad," the unattractive housewife next door--or someone else, who will completely surprise the reader, as do many of the events of the protagonist's story? At age sixty-two, Corinne must grapple with the most painful truth that her lifelong passion--which is anyone's passion, to love and be loved, body and soul--could burn unquenched forever. Her imaginative narrative even when she is lying is as revealing as bedrock truth. *A Lifetime Burning* is as real as life itself--a novel shimmering and vital and recognizably true. Gripping, smart, suspenseful, and at times, wonderfully witty, Douglas's widely acclaimed book forms a searching and searing record of love, anger, confession, and discovery.
