Millionaire doctor: wife wanted!

Dr Louise Bridgford is devoted to her job on a busy A&E children's ward. Although her tireless work leaves her little time for romance, she can't help noticing the devastatingly handsome Dr James Ashleigh—also known as the next Lord Ashleigh! She's only allowing herself a little look, because a) he's simply out of her league and b) they are arguing over the future of her department.

But James knew from the moment he met Louise that she was the woman for him. Since she's been in his life he's started to see things differently. So much so that now he's going to fight to save her children's ward. And then ask her to be the next Lady Ashleigh!
