Crazy Love: New Poems Pamela Uschuk

Through bold and innovative language, a strong female narrative explores the world and provides a voice for those who have been silenced in this empowering and inspirational collection of poetry. Examining a wide range of topics—love, spirituality, nature, and family—the poems give particular focus to politics, discussing how the actions of the government affect individuals on a daily basis. Filled with natural imagery and speckled with traces of the author’s Russian, Swedish, and American heritage, this fresh compilation dares to take risks and ultimately offers hope and inspiration to people from all walks of life.
