When I damaged screenwriter Neil Madison's grand piano I feared I couldn't afford to have it repaired. But why was I so disappointed when his suggested punishment turned out to be so respectable? The guy was hot, and if he wanted to punish me over his knee, I really wouldn't mind that at all...

This is a complete story in one volume - a sizzling short read of 6,000 words just right for a sexy bedtime (or anytime!) read.

The book is not for children due to mature themes and language. If you are offended by descriptions of sensual spanking and hot sex between consenting adults, this love story is also not for you.
