Charles Dickens

Historia De Dos Ciudades (Spanish Edition) Charles Dickens

Historia de dos ciudades es una de las novelas del escritor británico Charles Dickens, publicada en 1859. Esta novela es particularmente distinta a las demás que escribió, las cuales se basan en su mayoría en historias protagonizadas por niños o adolescentes y muestran una intención de reprimenda o denuncia de la sociedad británica de la época. En esta novela histórica se narra la vida en el siglo XVIII, en la época de la Revolución francesa.

Al mismo tiempo la historia se desarrolla en dos países: Inglaterra y Francia, y en las ciudades de Londres y París, respectivamente en la época de los albores de la Revolución francesa. La primera ciudad simbolizaría de algún modo la paz y la tranquilidad, la vida sencilla y ordenada; mientras la segunda representaría la agitación, el desafío y el caos, el conflicto entre dos mundos en una época en la que se anuncia drásticos cambios sociales.
