"For more than one hundred years the West has failed to understand Islam" (U.S. State Department Official, 1992). This quote from the original edition of *Riders of the Pale Horse* introduces the story of two young Americans, a foreign-service officer and a mission volunteer who cross paths near the Afghanistan border on very different assignments and yet with a common goal: to stop nuclear materials from falling into terrorists' hands. High-stakes political and spiritual conflict keep readers on the edge of their seat in this suspenseful story from bestselling author T. Davis Bunn.
