Demon Drums (Island Warrior Book 1) Carol Severance

Iuti Mano is a legend of her time. She is a fierce warrior whose energy has been drained by watching those around her suffer and die. Determined to regain her inner calm, she severs her bonds with Mano Niuhi, the honored shark that bestowed its magic and power on generations of her family. But even though she has slain her source of power, she is still plagued by the continuing war ravaging her land. A resident evil force that is increasing its power has disturbed her sabbatical on the uninhabited island she chose for its solitude. When a sorceress tries to steal her power and the mythical Demon Drummers stalk Iuti in order to crown her the Mother Drum, her quest for peace is disturbed. She must use her remaining power to defeat the dark magic that haunts the tranquility of her island paradise.
