Erbe Officinali e Piante Medicinali (Italian Edition) Alberto Tucci, De Leo

"Erbe Officinali e Piante Medicinali è un progetto nato nel 1996 e portato su piattaforma web nel 1998 per la ricerca e la consultazione dei dati relativi a circa 600 piante utili nella 'medicina dolce' e preventiva a base di erbe, nonché in fitoterapia.

Il progetto è stato concretizzato con la pubblicazione sul sito web www.erbeofficinali.org, di schede monografiche complete di informazioni botaniche, fitoterapiche e notizie varie per ogni erba analizzata. Il lavoro che viene presentato con questo Ebook nasce dall'esigenza di poter disporre delle medesime informazioni in formato diverso, un prontuario enciclopedico elettronico rivolto ad amatori e professionisti, consultabile in qualsiasi momento con varie tipologie di apparecchi per la lettura"
