Sero (Spanish Edition)

Ibon Larrazábal Arrate

Sero (Spanish Edition) Ibon Larrazábal Arrate

Sero no es sólo una historia de ciencia ficción: es una lúcida e irreverente crítica al biopoder. Repleta de situaciones disparatadas, Sero cuenta en clave humorística las peripecias de Yurgi, un joven seropositivo cansado de los vapuleos y humillaciones recibidas durante años por las instituciones médicas. Tras el descubrimiento de una vacuna preventiva, los infectados por VIH pasarán a formar parte de una comunidad explotada por las multinacionales, lo que dará lugar a brotes de violencia. El lector tiene ante sí algo más que un libro: Sero es una declaración de principios, una crítica a las sociedades disciplinarias, un canto de libertad. Sin duda una novela inteligente, entretenida, dotada de un humor niguérrimo, que te atraparás desde la primera a la última página.

«La clase inmune se está lucrando a costa de los complejos que ha inducido previamente en la clase positiva».

«Ya es hora de revertir a la causa seropositiva parte del dinero saqueado por la élite inmune y su canon estético imperialista».

«En un principio lo pedimos de la manera más educada que conocemos. Sólo para el caso de que esta petición cayera en saco roto, nos reservamos la opción de tomar otro tipo de medidas recaudadoras».

From reader reviews:

Nancy Farley:

This Sero (Spanish Edition) book is absolutely not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is definitely information inside this publication incredible fresh, you will get facts which is getting deeper you actually read a lot of information you will get. This Sero (Spanish Edition) without we know teach the one who reading it become critical in pondering and analyzing. Don't possibly be worry Sero (Spanish Edition) can bring once you are and not make your handbag space or bookshelves' turn out to be full because you can have it in the lovely laptop even cellphone. This Sero (Spanish Edition) having great arrangement in word and also layout, so you will not really feel uninterested in reading.

Linda Christopher:

You may spend your free time to read this book this reserve. This Sero (Spanish Edition) is simple to deliver you can read it in the playground, in the beach, train along with soon. If you did not possess much space to bring the particular printed book, you can buy typically the e-book. It is make you simpler to read it. You can save the actual book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.

Diane Lomas:

As we know that book is very important thing to add our expertise for everything. By a guide we can know everything you want. A book is a group of written, printed, illustrated or blank sheet. Every year was exactly added. This guide Sero (Spanish Edition) was filled regarding science. Spend your spare time to add your knowledge about your technology competence. Some people has various feel when they reading a new book. If you know how big good thing about a book, you can sense enjoy to read a publication. In the modern era like currently, many ways to get book that you wanted.

Abigail Shelton:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Sero (Spanish Edition) can make you experience more interested to read.
