In My Blood

John Sedgwick

In My Blood John Sedgwick

While working on his second novel, John Sedgwick spiraled into a depression so profound that it very nearly resulted in suicide. An author acclaimed for his intimate literary excursions into the rarified, moneyed enclave of Brahmin Boston, he decided to search for the roots of his malaise in the history of his own storied family—one of America's oldest and most notable. Following a bloodline that travels from Theodore Sedgwick, compatriot of George Washington and John Adams, to Edie Sedgwick, Andy Warhol's tragic muse, John Sedgwick's very personal journey of self-discovery became something far greater: a spellbinding study of the evolution of an extraordinary American family.
