Making Sense of Organizational Change

Jean Helms-Mills

Making Sense of Organizational Change Jean Helms-Mills

Applying an invaluable sensemaking framework to organizational change and combining the theory and practice of implementing change, this book represents an instructive and informative view on change in business. Its strength lies in two key areas:

- the discussion and explanation of a strategic sensemaking approach, for helping managers, management educators and students to understand organizational change
- a longitudinal study of a major company which underwent several organizational changes, revealing some of the key problems and challenges that managers face when introducing, implementing and managing change.

Rather than being structured as a 'how to' book, this outstanding text provides the reader with practical insights and skills for managing (or resisting) change. Applying Weick's famous sensemaking approach, it offers a unique way to understand the processes involved in organizational change.

From reader reviews:

Angela Taylor:

The reserve with title Making Sense of Organizational Change has a lot of information that you can understand it. You can get a lot of benefit after read this book. This specific book exist new understanding the information that exist in this reserve represented the condition of the world right now. That is important to yo7u to know how the improvement of the world. This specific book will bring you in new era of the the positive effect. You can read the e-book on your smart phone, so you can read this anywhere you want.

Tiara Garcia:

This Making Sense of Organizational Change is great book for you because the content that is full of information for you who also always deal with world and get to make decision every minute. This specific book reveal it information accurately using great coordinate word or we can declare no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but tough core information with splendid delivering sentences. Having Making Sense of Organizational Change in your hand like having the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world with ten or fifteen moment right but this e-book already do that. So , this is good reading book. Heya Mr. and Mrs. occupied do you still doubt which?

Allison Morales:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Making Sense of Organizational Change can make you truly feel more interested to read.

Robert Howard:

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information from a book. Book is composed or printed or highlighted from each source in which filled update of news. On this modern era like now, many ways to get information are available for an individual. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, book and comic. You can add your understanding by that book. Do you want to spend your spare time to open your book? Or just looking for the Making Sense of Organizational Change when you desired it?
