Power & Powerlessness in Jewish History

David Biale

Power & Powerlessness in Jewish History David Biale

To shed light on the tensions he observed between Jewish perceptions of power versus political realities which "are often the cause of misguided political decisions," like Israel's Lebanese War Biale analyzes Jewish history from the point of view of politics and power.

The author of *Gershom Scholem: Kabbalah and Counter-History* here challenges the conventions of what he terms the Jewish "mythical past": the anachronistic interpretation that the Diaspora, which occurred between the fall of an independent Jewish commonwealth in A.D. 70 and the rebirth of the State of Israel in 1948, was politically impotent, and, conversely, that the First and Second Temple periods were eras of full Jewish national sovereignty.
