Queen of Hearts

Martha Brooks

Queen of Hearts Martha Brooks

On the prairies of Canada during World War II, a girl and her two young siblings begin a war of their own. Stricken with tuberculosis, they are admitted to a nearby sanatorium. Teenager Marie Claire is headstrong, angry, and full of stubborn pride. In a new strange land of TB exiles she must "chase the cure," seek privacy where there is none, and witness the slow wasting decline of others. But in this moving novel about fighting a way back to normal life, it is the thing that sets back Marie Claire the most—the demise of her little brother—that also connects her with the person who will be instrumental in helping her recover.

From reader reviews:

Frankie Evans:

What do you think of book? It is just for students because they are still students or that for all people in the world, what the best subject for that? Only you can be answered for that issue above. Every person has several personality and hobby for every other. Don't to be compelled someone or something that they don't desire do that. You must know how great along with important the book Queen of Hearts. All type of book could you see on many solutions. You can look for the internet sources or other social media.

David Beall:

Queen of Hearts can be one of your nice books that are good idea. All of us recommend that straight away because this book has good vocabulary which could increase your knowledge in vocab, easy to understand, bit entertaining but still delivering the information. The author giving his/her effort to place every word into joy arrangement in writing Queen of Hearts however doesn't forget the main stage, giving the reader the hottest in addition to based confirm resource information that maybe you can be among it. This great information may drawn you into fresh stage of crucial considering.

Gwendolyn Smith:

Your reading 6th sense will not betray you actually, why because this Queen of Hearts guide written by well-known writer we are excited for well how to make book which can be understand by anyone who also read the book. Written inside good manner for you, leaking every ideas and writing skill only for eliminate your current hunger then you still skepticism Queen of Hearts as good book not just by the cover but also by the content. This is one reserve that can break don't determine book by its deal with, so do you still needing a different sixth sense to pick this!? Oh come on your reading through sixth sense already told you so why you have to listening to another sixth sense.

Linda Soto:

Reading a book to be new life style in this season; every people loves to examine a book. When you learn a book you can get a wide range of benefit. When you read guides, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you would like get information about your examine, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, these us novel, comics, and soon. The Queen of Hearts provide you with new experience in looking at a book.
