The Magic in Your Mind U. S. Andersen

Many people have locked themselves in prisons of their own making that have made them unsuccessful. The Magic in Your Mind teaches the magic by which men become free and begin to grow into the image they are meant to be. A man changes the state of his outer world by first changing the state of his inner world. Everything that comes to him from outside is the result of his own consciousness. By understanding the process and effect of mental imagery, he goes directly along the correct path to his goal. This book reveals a mental magic that guarantees increased achievement and assures success.
