## **Activate Your Faith** T. L., Dr. Brown

Dr. T. L. Brown has hit a homerun with this book. *Activate Your Faith* is an imperative to inspire Christians to tap into the great abundance of divine and physical resources available to them as members of the community of faith. Jesus' prayer in John 17 reveals the magnitude of the protection and power believers have because they walk with Jesus. Brown argues quite convincingly that this divine protection and power envelops Christians and is applicable to every aspect of their lives. God's favor pervades their entire existence, and nothing can delay or prohibit its positive effects. Brown concludes that God plus the faith of the individual Christian always results in the majority.
