U.S. Military Operations: Law, Policy, and Practice

U.S. Military Operations: Law, Policy, and Practice

In *U.S. Military Operations: Law, Policy, and Practice*, a distinguished group of military experts comprehensively analyze how the law is applied during military operations on and off the battlefield. Subject matter experts offer a unique insiders perspective on how the law is actually implemented in a wide swath of military activities, such as how the law of war applies in the context of multi-state coalition forces, and whether non-governmental organizations involved in quasi-military operations are subject to the same law. The book goes on to consider whether U.S. Constitutional 4th Amendment protections apply to the military's cyber-defense measures, how the law guides targeting decisions, and whether United Nations mandates constitute binding rules of international humanitarian law. Other areas of focus include how the United States interacts with the International Committee of the Red Cross regarding its international legal obligations, and how courts should approach civil claims based on war-related torts. This book also answers questions regarding how the law of armed conflict applies to such extra-conflict acts as intercepting pirates and providing humanitarian relief to civilians in occupied territory.

From reader reviews:

Gerald Dews:

Spent a free time for you to be fun activity to try and do! A lot of people spent their leisure time with their family, or all their friends. Usually they doing activity like watching television, going to beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you want to something different to fill your own free time/ holiday? Might be reading a book might be option to fill your totally free time/ holiday. The first thing you ask may be what kinds of reserve that you should read. If you want to attempt look for book, may be the reserve untitled U.S. Military Operations: Law, Policy, and Practice can be good book to read. May be it is usually best activity to you.

Thanh Johnson:

Playing with family in a park, coming to see the ocean world or hanging out with close friends is thing that usually you will have done when you have spare time, after that why you don't try factor that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love U.S. Military Operations: Law, Policy, and Practice, it is possible to enjoy both. It is good combination right, you still need to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't buy it, oh come on its called reading friends.

Bethany Archie:

Is it you actually who having spare time in that case spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something totally new? This U.S. Military Operations: Law, Policy, and Practice can be the respond to, oh how comes? The new book you know. You are and so out of date, spending your free time by reading in this new era is common not a geek activity. So what these textbooks have than the others?

Franklin Crossland:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this U.S. Military Operations: Law, Policy, and Practice can make you truly feel more interested to read.
