Viaggio attraverso i sentieri dell'anima (Italian Edition) Franco Tessore

La vita è un soffio, una successione di brevi attimi a cui il poeta cerca di attribuire valore a ciò che rende la vita meritevole di essere vissuta (gli affetti, gli ideali, ma anche gli spettacoli della natura), evitando di correre dietro a vuoti simulacri di felicità che in realtà servono solo a giustificare il cinismo di una società sempre più individualista, materialista e cinica.

Tra metafore e enjambement prendono forma bellissime e suggestive poesie in grado di toccare gli animi e trasportare il cuore del lettore in un viaggio verso la Vita.
